ABOUT THE ARTISTS

NEO LI is a senior at Colorado college, double majoring in Philosophy and Music. He was born in Shanghai, China in 2004 and started learning the piano in elementary school - and absolutely hated it and eventually gave it up in 7th grade. He picked it up again in high school and has been in love with it ever since. Neo is most passionate about playing works from the Romantic period, as well as other forms of composition. Neo studies piano with Susan Grace and harpsichord with Eric Wicks. Neo is also a musician in the CC Gamelan Ensemble.

ELI YUN is a first-year student at Colorado College, planning to major in chemistry and minor in music. Eli is originally from San Antonio, Texas. After hearing that he would need to learn to play piano to follow his real passion, violin, he begrudgingly agreed. Twelve years later, playing the piano is one of the biggest parts of his life. Eli likes to play all kinds of piano music, from jazz classics to baroque fugues. He studies jazz piano with Steve Barta and classical piano with Susan Grace. He also plays English Horn in the CC Concert Band.
