2023-2024 Room Selection For Class of 2024 Has Started!

For the 2023-24 academic year, we anticipate limited availability of on-campus housing. We will have about 75 spaces allotted towards senior housing.

- Most spaces will be in properties along North Weber Street (cottages and apartments) along with a few spaces in Cascade Park Apartments reserved for seniors only.
- Both furnished and unfurnished spaces are available. Any assignment categorized as an apartment will require an apartment meal plan and will come furnished. Cottages are typically unfurnished and do not require a meal plan.
- Housing rates for 2023-24 will be set during the Spring 2023 Semester.

Any class of 2024 student interested in living on campus must sign their housing agreement via the Housing Portal by December 7. Only students who sign their housing agreement will be able to select a space during housing selection on December 8
