
Tuition and Fees

2023-24 Academic Year

Tuition \$67,932 (\$33,966 billed each semester)

Includes mandatory activity fee for the year, which covers all activities funded through [CCSGA](#). The activity fee for 2023-24 is \$474.

Full time status = 3 blocks per term (\$33,966)

Fall term = 4 blocks offered (3 blocks \$33,966 and 4th block no additional charge)

Spring term = 4 blocks offered (3 blocks \$33,966 and 4th block no additional charge)

NOTE: Half Block is part of spring semester. If a student is enrolled full time in spring term, there will be no additional charge for Half Block.

Per block rate = \$11,322. CC does NOT charge by the block but instead charges the semester tuition fee at the beginning of each term. The semester fee equates to the per block rate multiplied by three.

Housing for fall and spring terms

Please visit the [Housing Office webpage](#) to view housing rates.

Meal Plans for fall and spring terms

Full meal plan = \$6,600 (\$3,300 billed each term)

Includes mandatory facilities fee of \$700 for the year, which covers building maintenance and various dining venue expenses.

Apartment meal plan = \$1,062 (\$531 billed each term)

- All students living on campus are required to have a CC meal plan. Students living in the traditional halls, small houses and language houses are required to have the full meal plan.
- Those living in student apartments, East Campus apartments, fraternities and sororities are required to have the apartment meal plan, and may opt for the full meal plan if desired.
- Exceptions to this policy include Synergy House and cottage housing; residents in these spaces are not required to purchase meal plans.

CC Student Health Insurance (optional*)

Fall term coverage (8/1/23 - 12/31/23) = \$1,549 billed in fall term

Spring term coverage (1/1/24 - 7/31/24) = \$2,163 billed in spring term

*CC health insurance is available to all CC students. Students are not required to participate in the college's health insurance plan if they have other health coverage. All students must either ENROLL or WAIVE the health insurance plan every year. Fall semester online enrollment/waiver process is open July 1 through August 31, 2023, at [waiver portal](#).

Failure to complete the online waiver will result in defaulted enrollment in the CC health plan for the semester; a premium charge of \$1,549 (fall term coverage fee) will be posted to the student's account and will be due September 8, 2023.

Important notes:

1. It may take 7 to 10 days for waivers to be approved by the Student Health Center.
2. CC athletes may also have a sports insurance rider. This is not the same medical insurance coverage and does not exempt any student from completing the enrollment/waiver process.

Students who complete enrollment/waiver for fall term DO NOT need to complete the waiver in the spring term unless they are changing their election for coverage.

Winter start students or those students starting classes in the spring must waive or enroll for spring semester. Failure to complete the online waiver will result in defaulted enrollment in the CC health plan for spring semester; a premium charge of \$2,163 (spring term coverage fee) will be posted to the student's account and will be due February 2, 2024.

More information on spring deadlines will be sent via our student account brochure in November.

Additional information on CC's student health insurance is available on the [Student Health & Wellbeing](#) page.

DEPOSITS

Admission Fees and Deposits*

Beginning with students who apply for entry in January 2020 and beyond, we will no longer charge an application fee for undergraduate degree-seeking enrollment. There will still be an application fee in place for summer session pre-college as well as graduate/MAT entry.

For students entering fall semester 2023-24, a general obligation deposit of \$1,000 is required of both new students and students returning after interrupting college enrollment. This deposit is applied to the first semester invoice. The deposit is forfeited by failure to provide notice of withdrawal by March 1 for the fall semester and November 1 for the spring semester for enrolled students, or after acceptance of admission for new students.

Per federal policy, the college is required to inform families about all the expenses they need to budget for, but CC may not charge them for. Please visit the following webpage for budgeted
