

## Programmatic Volunteering Opportunities (AC 23-24): More Information

Teams	At-A-Glance	What You Might Work On...
STARS	<p>This team will work to collect and report data for the STARS report. STARS is the Sustainability Tracking, Assessment, and Rating System, administered by the Association for the Advancement of Sustainability in Higher Education (AASHE). It is a comprehensive, self-reporting metric that rates institutions across broad sustainability efforts.</p>	<ul style="list-style-type: none"> <li>• Reach out to on-campus offices/departments to collect specific data points for STARS</li> <li>• Responsible for a specific category of data collection, formatting, and revision</li> <li>• Support writing the annual State of Sustainability report</li> <li>• Support smaller scope projects as assigned</li> </ul>
Emissions	<p>This team will lead the collection, organization, and calculation of CC's annual greenhouse gas emissions. This team works to track CC's progress in lowering our overall emissions utilizing SIMAP, which is an online calculator to assist in converting emission sources into equivalent metric tons of carbon dioxide. The Emissions team will also work with various on-campus departments and offices to support and track programming, market, and promote alternative transportation initiatives, and engage with the campus community around transportation planning.</p>	<ul style="list-style-type: none"> <li>• Reach out to on-campus offices/departments to collect specific data points for the team</li> <li>• Create annual surveys and support marketing of the surveys to students, staff, and faculty</li> <li>• Support writing the annual GHG Emissions report</li> <li>• Increase engagement with PikeRide through various campaigns and programming throughout the academic year</li> </ul>
Communications	<p>This team will lead and support all communication and marketing efforts within the Office of Sustainability. This includes designing graphics, creating content for our social media channels, updating our website pages, writing stories, and putting together newsletters related to sustainability efforts, and working with other interns on various campaigns throughout the year.</p>	<ul style="list-style-type: none"> <li>• Support the marketing efforts of OOS events, programs, initiatives through various channels</li> <li>• Write and create content for blockly newsletters and social media channels</li> <li>• Create graphics to support intern programming</li> </ul>
CC Exchange	<p>This team is responsible for the week-to-week operations of the CC Exchange and maintains on- and off-campus partnerships. This includes maintaining the physical space of the CC Exchange, raising awareness of the program with the CC community, responding to general inquiries, creating a welcoming and inclusive environment, and coordinating small donations campaigns throughout the year.</p>	<ul style="list-style-type: none"> <li>• Greet folks who come into the CC Exchange and help them find what they are looking for in the space</li> <li>• Support smaller donations campaigns as assigned, such as the laundry room initiative</li> <li>• Sort donations during closed hours and organize them into the assigned bins</li> <li>• Support Ditch the Dumpster efforts during Block 8</li> </ul>
Waste	<p>This team leads waste efforts across campus to decrease the amount of waste generated on campus and increase current rates of waste diversion by overseeing several waste programs and initiatives in the Office of Sustainability. The Waste team will also lead efforts to record the landscape of the waste infrastructure on campus. They will work with Facilities Services in purchasing and coordinating the implementation of all updated waste signage and standardization of bins in academic and administrative buildings on campus.</p>	<ul style="list-style-type: none"> <li>• Support waste-focused OOS programs such as the Campus Compost Program and the Plant Exchange</li> <li>• Participate in educational efforts across campus offices, departments, groups, etc. around waste diversion</li> <li>• Support the implementation of all updated bin infrastructure and signage across campus buildings</li> <li>• Participate in waste audits and additional signage needs in various locations indicated by Sodexo and/or Facilities Services</li> </ul>
