

1 **COLORADO COLLEGE STUDENT GOVERNMENT ASSOCIATION**

2 **A Resolution Supporting Colorado Proposition CC**

3
4 WHEREAS Colorado Proposition CC (the “Allow State to Retain Excess Revenue for
5 Transportation and Education Measure”) is on the ballot in Colorado for the November 5, 2019
6 election as a legislatively referred state statute;

7 & WHEREAS if passed by a simple majority of voters, Proposition CC would allow the state,
8 without raising taxes, to retain excess revenue it is currently required to refund under the
9 Taxpayer’s Bill of Rights (TABOR);

10 & WHEREAS the excess funds retained under Proposition CC would be used to provide funding
11 for public schools, higher education, roads, bridges and transit;

12 & WHEREAS additional funding for higher education will allow institutions of higher education
13 across Colorado to improve student retention and graduation rates;

14 & WHEREAS additional funding for higher education will allow our public peer institutions to
15 better control tuition increases and will allow for more investment to be made in their student
16 educational programs, student success and performance, student well-being, and job readiness;

17 & WHEREAS additional funding for higher education will allow the state of Colorado to grow
18 its talent pipeline, strengthen its economy, and remain competitive in an increasingly complex
19 global marketplace;

20 BE IT RESOLVED that the Colorado College Student Government Association supports and
21 endorses voting in favor of Proposition CC to allow the state of Colorado to retain excess
22 revenue as a means of increasing general fund availability in future years to improve higher
23 education and to benefit all of Colorado.
