MEETING MINUTES

April 1st, 2021

Full Council

Block 7 Week 1

Held Over Video Conference due to COVID-19

- I. Call to Order:
 - Meeting started at 5:00 MST
- II. Roll call:

Absent: Anusha, Mary
- III. Distribution of minutes
 - Meeting minutes from March 18th, 2021 have been approved as distributed
- IV. Committee Updates:
 - Outreach:
 - Remember to vote in City Council Elections-- please sign up to table in Worner to collect ballots
 - James: Looking for drivers as well!
 - Internal Affairs:
 - Full Council elections are full speed ahead. We have changed some things in terms of COVID and etc
 - Stipends-- Everyone to look into your student accounts to see how much money you have received as a CCSGA award. Please reach out to Fer via email. The faster we can get that done, the faster everything is settled
 - Finance:
 - Hopefully we are going to have a meeting next tuesday about the distribution of club funds which will be more complicated than predicted

- I think it would be great to create more working groups and we could do something like that with the discussions on student employment
 - Presidential:
 - Got the butler center to organize tax workshops
 - Please put in nominations for CCSGA awards --we will agree as a full council on who receives them
 - Working on putting together the working group we established focusing on supporting Asian and Asian-American students
 - Amy:
 - We have a demo schedule with a new platform for student activities on Monday at 8. The platform is called Presence. It will take away a lot of the administrative challenges we face. It streamlines everything into one platform
- V. Full Council Elections:
 - Fer: Since the full council elections are coming up-- if you are running I want to be clear that it will be all online and please sign up to be on full council.
Hopefully in person
- VI. Open Floor for Comment:
 - Fer: Send information to me please!
 - Lilly: Amy, do you have any idea on the timeline for Presence?
 - Amy: We would need to ask Mark -- I think it will depend on the type of platform and how it needs to be integrated
 - Fer: Can we get a debrief of what presence is?
 - Lilly: Right now we use a bunch of google forms and spreadsheets. It could be a lot more effective with a unified system. There is not a lot of synchronicity.
 - Amy: Yes, and you can also subscribe to certain email lists and clubs can track attendance, some are open at all points, some are closed. We will also be able to check students in for CCSGA events. It would have benefits for students in general and everyone else
 - Sakina: If there is a certain issue that you are passionate about. I think you should feel empowered to start a working group-- don't feel like you have to wait for full council approval. Go for it! The VP's are here to support you in any way but you are in a position to do these things on your own or with a group. Reach out if you need help, of course.
- VII. Adjournment
