# PASSAGE FROM DAKAR TO CASABLANCA

A Voyage Exploring Senegal, Mauritania & Morocco

**Aboard the New Expedition Cruise Ship *DIANA***

**April 29 - May 8, 2026**

Senegal's Gorée Island, a UNESCO World Heritage Site

## GUEST LECTURER

**DANIELLE SANCHEZ,**  
Associate Professor of History

Dear Colorado College alumni and friends,

We are delighted to invite you to join **Colorado College Professor Danielle Sanchez on a voyage along the Atlantic shores of West Africa**, from Dakar to Casablanca, April 29 - May 8, 2026. This program, designed to attend to both natural and cultural history, offers an opportunity to explore a fascinating part of the world that has been shaped both by the natural forces of geology and climate and by human forces.

We begin in the cosmopolitan city of Dakar, where museums and markets teem with African arts and crafts, and where the somber legacy of the transatlantic slave trade is memorialized at the UNESCO Heritage Site of Gorée Island. Sailing northward, we call in two cities on the seldom-visited coast of Mauritania, where Arab, Berber, and Sub-Saharan cultures mingle in fascinating ways, and then we set sail for Lanzarote in the Canaries, where the geography created by ancient volcanoes continues to dominate life on the island.

Returning to the mainland, we devote two days to the cities of central Morocco. We begin with a day in the 16th-century walled town of Taroudant, nestled between the High Atlas and the Anti-Atlas Mountains, followed by a day exploring the UNESCO World Heritage Site of Essaouira. The voyage comes to an end in fabled Casablanca.

Professor Sanchez, who specializes in the history of French- and Portuguese-speaking Africa, looks forward to sharing her experience and expertise in a series of lectures on the broad sweep of West African history from the earliest inhabitants through colonialism and independence.

Our vessel for this extraordinary journey, the *Swan Hellenic Diana*, is a state-of-the-art, new-generation expedition cruise ship, launched in early 2023. Accommodating only 192 guests in beautifully appointed staterooms and balcony suites, *Diana* features several lounges, a restaurant, outdoor café, spa, library and beauty salon, and is equipped with the latest safety and environmentally-friendly technology.

We hope you will be able to join Professor Sanchez and fellow Colorado College alumni/ae and friends as we travel on this *Passage from Dakar to Casablanca: A Voyage Exploring Senegal, Mauritania & Morocco*.

Sincerely,

Cindy Hyman '82  
Associate Vice President for Engagement

# THE 192-GUEST EXPEDITION CRUISE SHIP *DIANA*

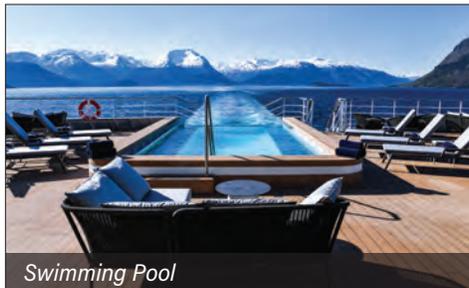

*Oceanview Stateroom*

*Balcony Suite*

*Swan Restaurant*

*Swimming Pool*

*Observation Lounge*

Built in Finland, and launched in April 2023, Swan Hellenic's *Diana* is a new generation expedition cruise ship. Although at 12,100 tons the ship is large enough to accommodate more than 350 passengers, *Diana* will accommodate a maximum of 192 guests in 96 spacious staterooms and balcony suites. The low guest density results in one of the most generous indoor and outdoor space-to-guest ratios among cruise ships.

Featuring the latest advances in technology and engineering, *Diana* is among the world's first environmentally responsible ships. Equipped with hybrid engines and a unique water filtration system, *Diana* leaves a minimal footprint. For cruising in Polar regions, the ship meets the stringent requirements of the new Polar Code with its high PC5 Category A ice strengthened hull and other advanced features. A computer-controlled Dynamic Positioning System allows the ship to maintain position without anchoring. Operated by a complement of 135 experienced European officers and international crew members, *Diana* will

carry a fleet of Zodiacs, versatile landing boats, and kayaks. Powerful stabilizers provide a smooth ride.

*Diana's* interior spaces exude sophisticated elegance, with most rooms opening to panoramic views of the sea. All staterooms and suites face outside and are equipped with private facilities, climate control, TV, Wi-Fi and USB connections and other amenities. Of the ship's 96 staterooms, 76 have balconies. Public areas include a spacious observation lounge equipped with state-of-the-art facilities for lectures and presentations; a club lounge; a restaurant that accommodates all guests at one seating; an outdoor café/bar that surrounds the heated swimming pool; a wellness area with gym, spa, and sauna with an adjoining outdoor jacuzzi; library; beauty salon; and an infirmary that is attended by a full-time doctor and nurse. The ship also features expansive open-deck areas. Two elevators connect all decks. Attentive service is provided on a 24-hour basis. The outstanding cuisine is complemented by fine wines at lunch and dinner.
